

COUGAR 5K RUN / WALK

CHICAGO, IL

The course is entirely on paved streets. See map for route and location of the start and finish lines and all mile points. All are marked by red/orange spray paint at the side of the street. The course was measured along the shortest possible route and always on the street. Runners must stay on the street. Marshals or barriers required at turns to guide runners and to prevent them from shortcutting the course.
