All transfer applicants are required to submit a TEAS V test score.

For all other programs. While we do not require an application essay or recommendations, the Admission Committee encourages the submission of either a short writing sample or an essay addressing your educational history, particularly if it would be to your benefit to explain your previous academic record. *In particular, if you were ever suspended from a school, a written explanation is required.* We reserve the right to ask for an essay or personal recommendation at a later date, should they offer help to the committee's decision.
