Application for Five-Year Accelerated Option

The Department recommends that a student submit this form at the end of the sophomore year. Students unable to do so should submit this form **before** registering for the first semester of their senior year. Requirements include:

- A GPA of 3.0 or higher is required both overall and in major courses. An applicant with less than 3.0 GPA may receive a conditional admission per the department approval.
- A student is expected to have completed at least 50% of the required major courses by the end of junior year.
- A student in this Accelerated Option must complete the MACS degree program within 18 months from the completion of the Bachelor's degree in order for the graduate courses to be counted towards the MACS degree.
