Experience an international education through study abroad. SXU offers its own select study abroad options and has partnered with various providers to offer additional locations for students to choose from.

- Proficiency in a foreign language is not required.
- Scholarships and financial aid may be used towards the cost of a program abroad.
- Students must have a minimum cumulative GPA of 2.5 to study abroad. (Some programs may require a higher GPA.)
- Students are encouraged to study abroad prior to their junior year, to ensure that all courses taken while abroad count towards your Saint Xavier University degree.

For additional information, please contact Kelly Reidy, director of the Center for International Education, at (773) 298-3780 or at reidy@sxu.edu.
