

Quizzing Tools in Canvas LMS

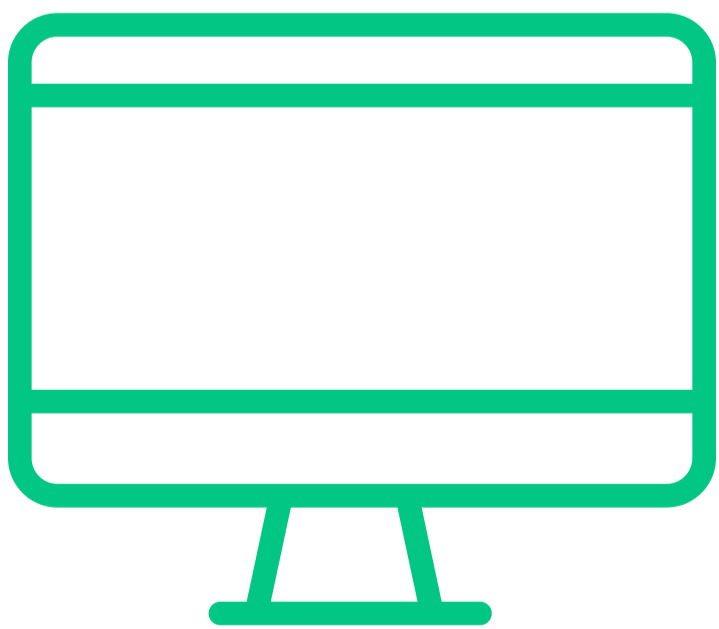

What are my options for online quizzing?

There are many options that are available within a Canvas quiz to ensure a secure method for online quiz administering. Respondus is an integrated service in the Canvas LMS, which provides a tool for securely administering quizzes and exams without a proctor. Respondus' Lockdown Browser and Monitor options help instructors eliminate the risk associated with online quizzing.

Services & Tools	Features & Requirements			
	Computer Accessibility (Mac or PC)	Mobile Accessibility	Download Required	Webcam Required
Canvas Quiz Enabled in every SXU course	✓	✓	✗	✗
Respondus Lockdown Browser Enable within Lockdown Browser in your course navigation	✓*	✗	✓	✗
