CHOOSE FROM ONE OF THE FOLLOWING

Financial Aid | McGuire Hall
Understand your financial aid package, learn more about scholarships and grants, get your FAFSA questions answered, and review what financial aid next steps students and families should take before classes begin with the associate director of Financial Aid.

Next Steps Workshop | WAC, S-113
You're admitted, now what? Take your next steps to enroll at SXU! Admission staff will walk you through your next steps and help you complete items like registering for ROAR (new student orientation) and submitting your tuition deposit.

Campus Tour | SXU Diner
Take a walking tour of our beautiful campus led by a current student.

Athletics at SXU | Shannon Center, Alumni Room
Connect with current SXU coaches. and student-athletes. Learn about ways to get involved and what a day in the life of a student-athlete looks like, discover how to cheer on our 21 varsity sports teams as a fan, and meet fellow new classmates and athletes joining teams this fall.

Meet with a Financial Aid Counselor | Office of Financial Aid, WAC, A-216
Have specific questions about financial aid? Meet 1:1 with a financial aid counselor.

11:00 – 11:40 a.m.
CHOOSE FROM ONE OF THE FOLLOWING

School of Nursing | Andrew Conference Center
Learn about our acclaimed nursing programs from our experienced faculty and current nursing students.

Graham School of Management | WAC, S-101
Discover more about our AACSB-accredited business programs, including our nine unique majors. Hear from current GSM faculty about the business curriculum, experiential learning opportunities, and career connections/outcomes and learn why SXU is accredited within the top 6% of business schools worldwide.

Visual Arts Center Open House | Visual Arts Center
Meet outside at shuttle stop, near library entrance.
Visualize your artistic future at SXU! Visit our expansive art facilities, engage with current students and faculty, and see how creativity thrives at SXU. Shuttle will return from the VAC to main library at the conclusion of the session.

Biology and Chemistry Lab Experience | WAC, S-301
See science come to life. Participate first-hand in experiments, and view the technology and lab spaces SXU science students use to succeed.

Communication | Campus Media Center
Meet outside the Music Performance Hall and walk or shuttle over to the CMC.
Step inside our new media studio, radio station (WXAV), newspaper office (The Xavierite), and more for a hands-on look at the technology and spaces that power digital storytelling.

Communication Sciences and Disorders | WAC, L-217

Computer Science | WAC, L-109A
