**Personal Statement/Recommendations**

For consideration into the Nursing Program, you are required to write a personal essay. Attach a separate sheet describing, in a typed essay, why you would like to become a nurse, the quality of your academic performance and how you plan to be successful at Saint Xavier University.

For all other programs. While we do not require an application essay or recommendations, the Admission Committee encourages the submission of either a short writing sample or an essay addressing your educational history, particularly if it would be to your benefit to explain your previous academic record. *In particular, if you were ever suspended from a school, a written explanation is required.* We reserve the right to ask for an essay or personal recommendation at a later date, should they offer help to the committee's decision.
