Transitions

1 Credit Hour

As part of the First Year Experience, this one-credit hour course provides support and knowledge to new students, assisting them with their passage from high school to Saint Xavier University. In the course, students learn about the University's Catholic and Mercy Mission, providing them with a foundation essential for the integration of knowledge pivotal to the students' discernment of their purpose/vocation, as well as their development as responsible citizens with a strong sense of personal and social responsibility.
