HOUSING ASSIGNMENT DETAILS

Your housing assignment information, including hall, room and roommate, can be obtained by logging into sxu.erezlife.com and navigating through “my profile and assignment” information. Please feel free to contact your roommate(s) to discuss move-in details. The University Housing staff made every attempt to meet your preferences; however, all assignments were based on availability.

Should you have difficulty logging into eRezLife or your SXU email, contact <https://hubchat.sxu.edu/> or [password reset](#) for assistance with your netID and password.

ROOM CHANGE REQUESTS:

Room and roommate assignments are typically not changed prior to student move-in. A room-change period will take place during the third week of the semester. Students are required to submit a Room Change Request Form through eRezLife to begin the room change process. The student who initiates the room change will typically be required to move. Unless the living environment is deemed by SXU staff to not be conducive to academic success, or the environment poses a threat to a student's well-being, each student will be allowed to change rooms once during the academic year.
