

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. In order to process your financial aid for the 2021-2022 academic year, we need to gather additional information about you, as required by the U.S. Department of Education (34 CFR, Part 668).

To verify the accuracy of the information provided on your application, we will compare your FAFSA with the information on this document and with any other required documents. Saint Xavier University reserves the right to make all necessary changes to your Student Aid Report (SAR).

If you have questions about the verification process, please contact the Office of Financial Aid at (773) 298-3070 or finaid@sxu.edu.

You must complete and submit this form, along with the additional documentation requested, before your financial aid will be processed. Failure to do so will result in a delay of financial aid processing or possible loss of eligibility.
