

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. In order to process your financial aid for the 2022-2023 academic year, we need to gather additional information about you and your parents as required by the U.S. Department of Education (34 CFR, Part 668).

To verify the accuracy of the information provided on your application, we will compare your FAFSA with the information on this document and with any other required documents. Saint Xavier University reserves the right to make all necessary changes to your Student Aid Report (SAR).

If you have questions about the verification process, please contact the Office of Financial Aid at (773) 298-3070 or finaid@sxu.edu. Failure to complete the verification process will result in a delay of aid processing or possible loss of eligibility.

You and your parent(s) must complete and submit this Verification Worksheet, and any additional documentation requested, before your financial aid will be processed.
