

## 2025-2026 Verification Worksheet Dependent Tax & Income

### STUDENT INFORMATION

Name	SXU ID
Phone Number	Date of Birth

Your FAFSA application was selected for review in a process called "Verification". In this process, St Xavier University will compare information from your FAFSA with this worksheet and financial data you must submit. The law requires completion of Verification before awarding and/or disbursing federal aid. If there are differences between your FAFSA application and your verification

documentation, electronic corrections to your FAFSA may be required. Contact the Office of Financial Aid at (773) 298-3070 or [finaid@sxu.edu](mailto:finaid@sxu.edu) if you have questions.

**You and your parent(s) *must* complete and submit this Verification Worksheet, and any additional documentation requested, before your financial aid will be processed.**

### STUDENT TAX AND INCOME INFORMATION

*Check the appropriate boxes below.*

I filed a 2023 Federal Tax Return.

**Instructions:** Complete this section if the student filed or will file a 2023 IRS income tax return. As part of federal student aid eligibility, students will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In most cases, no further documentation is needed to verify 2023 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.

If 2023 income tax return information for the student was not available or could not be used, the student should provide the institution with a 2023 IRS Tax Return Transcript(s) or a signed copy of the 2023 income tax return and applicable schedules.

**To obtain your tax transcript, go to [www.irs.gov](http://www.irs.gov) and select the option to *Get Your Tax Record*. Please note: only Tax Return Transcripts will be accepted (not Tax Account Transcripts).**

I am not required to file (and will not file) a 2023 Federal Tax Return.

As part of federal student aid eligibility, parents will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the parents filed separate 2023 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2023 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.

If 2023 income tax return information for the parents was not available or could not be used, the parents should provide the institution with a 2023 IRS Tax Return Transcript(s) or a signed copy of the 2023 income tax return and applicable schedules.
